

Technical Specifications

WAVE SEAT

FEATURES

The Wave Seat is a variation of the classic bench that can be loved and enjoyed for longer now that it is made from composite recycled plastic with galvanised steel fixings.

The Wave Seat is part of the Envire range of park furniture that is used throughout Australia, because it is

- Durable and long lasting
- Tolerant of extreme climates, particularly wet or saline conditions
- Resistant to rot, termites and other pests
- UV resistant, does not fade or crack
- Flat packed to reduce freight costs
- Easy to assemble with clear instructions
- Great value for money

RECYCLABLE

Integrated Recycling's (IR) Envire range of patented composite recycled plastic products is manufactured in Australia from recovered agricultural plastic films and other recycled plastics combined with organic fibre. Integrated Recycling gives plastics a second life so that waste no longer means landfill. By purchasing the Envire range you are truly recycling.
