

# Riverland Wall Mounted Bench

## PRODUCT SPECIFICATIONS

Envire®  
PARKSCAPE

### FEATURES

The Riverland Wall Mounted Bench is designed for and loved by schools, sporting clubs and other recreational facilities. It is very easy to install, can be made in any length and fitted with either Envire or Evertuff bench slats that are made from Australian recycled plastics. Comes with galvanised fixings as standard or stainless steel fittings as an option.

The Riverland Wall Mounted Bench is part of the Envire range of park furniture that is used throughout Australia, because it is:

- Tough, durable and longer lasting
- Tolerant of extreme heat, moisture and saline conditions
- Resistant to termites, rot, water or sun damage
- UV resistant, does not fade, crack or split
- Delivered as flat pack - economic freight cost
- Easy to assemble - comes with clear instructions
- Great value for money

### RECYCLABLE

Integrated Recycling transforms Australian waste plastics into Polytensilate® our patented formulation from which we make our range of recycled plastic products.

Integrated Recycling views waste plastic as a resource to upcycle so waste no longer means landfill. At the end of our furniture's life the recycled plastic can be recycled and repurposed over and over. By purchasing the Envire range you are participating in Australia's circular economy.

### COLOUR OPTIONS
