#### STEP 1

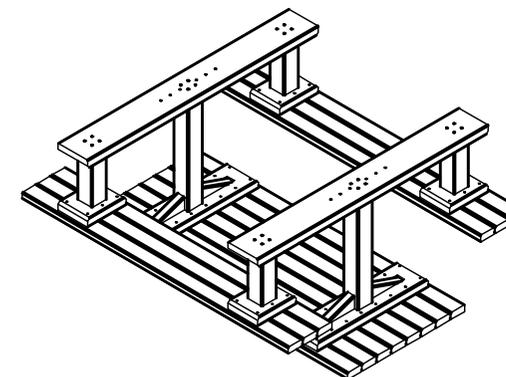

Place seat tops either side of the table (item 2). Place base plates onto seat top legs (item 3). Lightly tap leg into recess with hammer. Screw into place using 14g x 100 screws.

#### STEP 2

With the assistance, lift assembled seating onto table top legs. Lightly tap legs into recess with hammer. Screw into place using 14g x 100 screws.

#### STEP 3

Once assembly is finished, with assistance, turn over length ways. This will limit stress put onto seat legs when turning over.
